

N Series Chemical pumps (long coupled)

(ISO5199 : 2002)

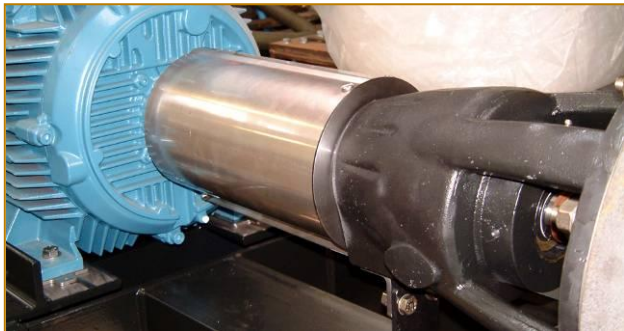

reference list

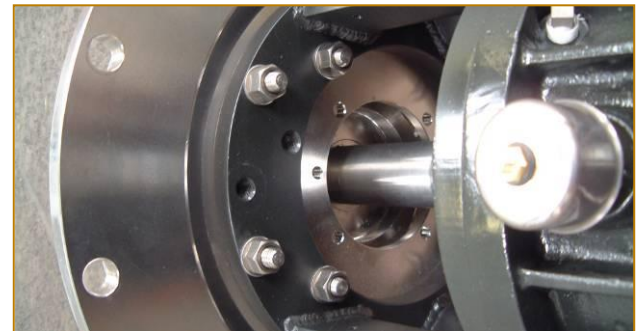

model NF-200x150x410-SB6H
customer British Sugar
location Shropshire, UK
plant Allscot Processing Plant
year 2004
application Hot sugar juice

model NF-100x080x410-SB6P
customer Polimeri Europa
location Hampshire, UK
plant Hythe
year 2004
application Latex

model NF-100x080x325-SB6H
customer Crest Process Engineering Ltd
location West Country, UK
plant Rhodia Bristol
year 2006
application 30% Monopropylene Glycol

model NF-200x150x311-SBKG
customer Fuller Smith & Turner
location London, UK
plant Chiswick Brewery
year 2005
application Hot wort

model NF-150x100x410-SB6A
customer Wood Group
location North Sea, UK
plant Triton FPSO
year 2005
application Produced water with oil

model NF-150x100x410-SB6H
customer Cyclotec
location Congo
plant Total
year 2006
application Produced water
